DO

- Develop a time of daily worship, being faithful in the essential disciplines of prayer and Bible reading.
Any form of Christian service must be done in the power of the Holy Spirit, not in our own strength.
- Ask God for a humble heart that serves and puts others first.
- Share Christ with neighbors, family, friends, co-workers.
- Talk to your church leaders about serving on your Global Ministries Team (missions committee).
- Host international students.
- Give missions books to children and adults as gifts.
- Learn about other cultures. Try new foods and music.
- Buy basic supplies for global ministry partners (missionaries) when they come to the US for visits.
- Participate in short-term missions.
- Pay off personal debt.
- Get involved in discipling, teaching, and ministry. Serve in a new role, especially in one that gets you out of your comfort zone.

See your church leaders for more information about safe wording.
- Sign up to receive prayer updates from your church's global ministry partners.
- Give to the global ministries fund.

- Volunteer at local ministries or nonprofits.
- Learn a new language through a bilingual contact, an app or a local course.
